Re: The Leukemia & Lymphoma Society - Fund Raising Campaign, 2008

Dear Friends,

As many of you know, the Leukemia & Lymphoma Society has become a big part of The SCS family over the past year. In May of last year, we were able to collect over \$22,000.00 of donations on behalf of my partner, Terry Davidson.

Terry, now almost a year out from a bone marrow transplant, has returned to work and is leading an active lifestyle as many of you have seen. Terry is still in recovery and has a ways to go. With the Grace of God, he is with us today. Much of his success is due to the active work of the Leukemia & Lymphoma Society's help. Trust me, the support they have given Terry as a patient, the Davidson family, and the families of SCS will never go unnoticed. With this said, I am asking you for your help!

I am leading a drive on the behalf of Terry and his family again this year to raise money to help support this organization and its fight against this blood born disease. It's as simple as a donation. It does not matter the amount or who it comes from. It matters that we all take a part in giving back! Your help is needed not only in giving, but forwarding this letter to someone in your family, your office, or anyone who is close to someone that has been affected in some way by this terrible disease. I am sure, we all know someone!

Donations can be made in several ways.

1. Checks may be sent here to the office, but made out to “The Leukemia & Lymphoma Society” or “LLS”
2. Checks can be sent directly to “Attn: Rachel Harris, MWOY”
The Leukemia & Lymphoma Society
100 Chase Park South, Suite 220
Birmingham, Al 35244
3. A credit card donation may be done as well; A form has been included for this form of donation.
4. A donation web page has been set up as well for you to use.
www.manwomanoftheyear.org/al. Please go to my picture and click on my site.

Please make sure all donations are referenced with “SCS” or “Gilbert Roberts” so we may track the donations. Proper receipts will be provided for tax purposes. Make sure your name and address is listed on your donation. LLS will provide the documentation.

This drive will end May 7th. We have about 3 full weeks to take action.

Please help us out any way you can!
